MEMORANDUM FOR: Assistant Director/Collection and Dissemination
SUBJECT : Control and File of DCI's Second Copy of NSC papers

On 11 September 1952 the DDI approved the arrangement^{*} spelled out in the attached office memorandum. Due to the sensitivity of NSC papers, and the President's concern for their security, it is requested that your memorandum to the Intelligence AD's inform them of DD/I's desire to limit access to NSC papers to those individuals designated by the AD's on a need to know basis.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Director/Intelligence

DATE: September 11, 1952

FROM :

SUBJECT: Control and File of the Director's 2nd copy of the NSC papers

If you approve the following arrangement will be effective immediately:

The Director's 2nd copy of NSC papers will be received in Executive Registry along with his first copy and Mr. Dulles' copy.

Executive Registry will route the 2nd copy to AD/CD (Top Secret Control), 1040 M Building. The papers will be controlled and filed there in a special area of the Library set up for the tightly-controlled papers, and will be available for reading by appropriate personnel in M and Q Bldgs.

AD/CD will inform the IADs that NSC papers are now available and may be read by them (or their designated representative) on a need-to-know basis.
